

I'm a little pig

Oink, oink, I'm a little pig
My tail is curly and my nose is big
Oink, oink, I'm a little pig
My tail is curly and my nose is big
Oink, oink, I'm a little pig
My tail is curly and my nose is big
And if you ask me how I know
Because the farmer told me so

I love to get all muddy
And live in a pigsty
And this is how I answer
When people ask me why.

Oink, oink, I'm a little pig...

I've got a big fat tummy
I love to eat all day
And if you want a reason
Then this is what I say
