

The House Song

Does your house have a roof?
Does your house have walls?
Does your house have windows?
Does it have a door?

Is your house very big?
Is your house very small?
Is your house very short?
Or is it very tall?

Here is the roof
And the walls
Here are the windows
And here is the door!

This is big
This is small
This is short
and this is tall!

Is your house made of concrete?
Is your house made of bricks?
Is your house made of wood?
Or is it made of sticks?

Does your house have a roof?
Does your house have walls?
Does your house have windows?
Does it have a door?

This is concrete
These are bricks
This is wood
And these are sticks!
