

## Career Day

As I'm standing today in my big rubber boots, and this red plastic hat  
that's a little too large.

I start to think about maybe getting a job and making some cash being in  
charge.

Because ...

It's career day and I'm here to say what I'll be someday when I grow up. (2)

Play a baseball, kick a football, gonna grow so tall when I grow up.

Be a princess, find a treasure chest, gonna be the best when I grow up.

It's career day and I'm here to say what I'll be someday when I grow up. (2)

Be a doctor or a teacher, be a leader when I grow up.

Be a circus clown, gonna build this town, I will worldwilde known when  
I grow up

It's career day and I'm here to say what I'll be someday when I grow up. (2)
