

Christmas

Elf 1: Hey Santa. Do you like blue balls on the top of the Christmas tree?

Santa: I prefer a star. It's shiny. What about a nice chain around the Christmas tree?

Rudolf: Oh yes. I love chains. But they need bells. I like the sound of bells.

Elf 2: We can hang the stockings close to the tree, on the chimney.

Elf 1: Good idea! Let's put them there.

Rudolf: I don't have stockings. What can I do?

Elf 1: If you don't have stockings, then there is nothing for you.

Rudolf: Please can you lend me a stocking? I want to have presents in it.

Elf 2: Sure you can, use mine. I have got more than one. There you are.

Rudolf: Thank you very much.

Santa: Thanks for sharing. You know that Christmas is the time for sharing...

Elf 2: ...And being kind.

Santa: Come on, let's finish the decoration of the Christmas tree.
