

Where is it?

Anne: Good morning, John!

John: Good morning, Anne!

Anne: Do you want to play?

John: Yes, of course

Anne: Where is the pencil? On the box? In the box? Behind the box? In front of the box? or between the boxes?

John: Is it **IN** the box?

Anne: No, it isn't.

John: Is it **on** the box?

Anne: I'm sorry John.

John: Is it **behind** the box?

Anne: No it isn't.

John: Is it **in front of** the box?

Anne: No, it isn't in front of the box.

John: Then... it's **between** the boxes

Anne: Very good!! At last you did it.
