Boy: Excuse me, sir.

Man: Yes?

Boy: We are Spanish tourists and I think we are lost. The map we have doesn't indicate the location of...

Girl: We are going to the Bus Station. Do you know how we can get there?

Man: Sure. Now we are in Trafalgar Square. You go straight ahead this street and when you get to the Capital Hotel you turn on the right.

Boy / Girl: Yes.

Woman: No, I think it's better if you turn on the left and walk straight ahead until you reach the Bank. Then, you cross the street and you'll see the Bus Station.

Man: You are right.

Girl: Thank you very much for your recommendations!

Man: You're welcome.

Boy: And just another question: do you know any good restaurant where we can eat?

Man: Yes, of course. Near the Bus Station there is a very good restaurant.

Woman: And it is not very expensive, it's quite cheap.

Girl: That's very kind of you. Thank you very much.

Woman: Enjoy your holidays.

Boy / Girl: Thank you, good bye!
