

*The sun brights today*

*This music is celestial*

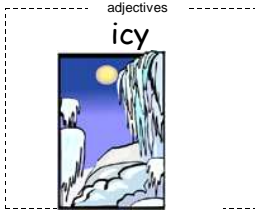

*The moon is cratered*

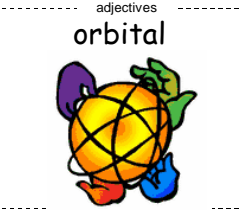

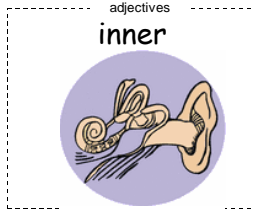

*I like deep valleys.*

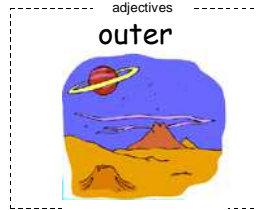

*The giant is strong.*

*The mountain is icy*

*The Earth is in the orbital of the Sun*

*In Saturn are living outers*

*This stic is rigid*

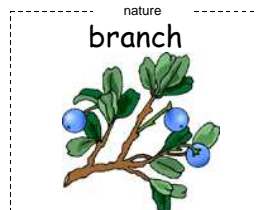

*This is a solid rock*

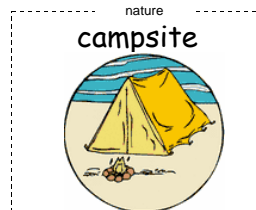

*We are terrestrial*

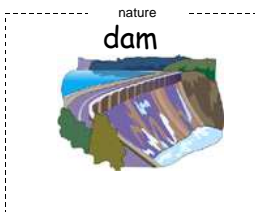

*This holidays I am going to the beach.*

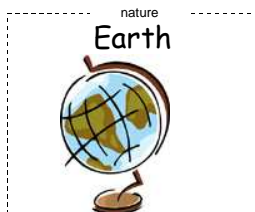

*He is sitting on the branch*

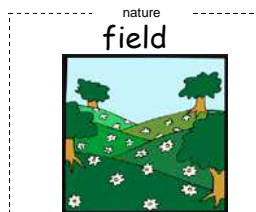

*We have to sleep in the campsite*

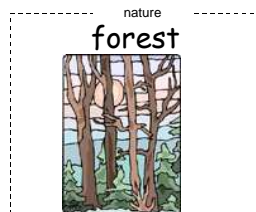

*The river has a dam*

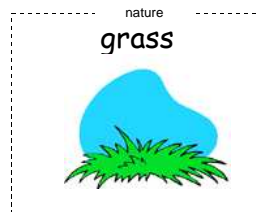

*The Earth is my planet*

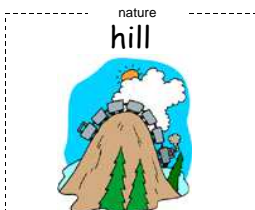

*The flower grows up in the field.*

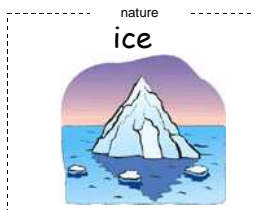

*There are a forest of trees*

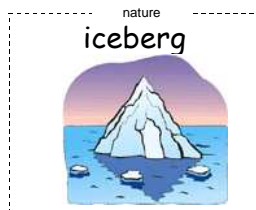

*I like sleep on the grass*

*I am walking in the hill*

*The ice is very cold*

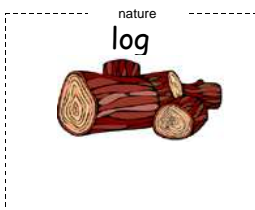

*The Titanic crashed with a iceberg*

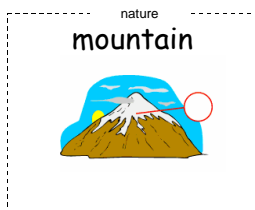

*I want to live in a island*

*I am swimming in the lake*

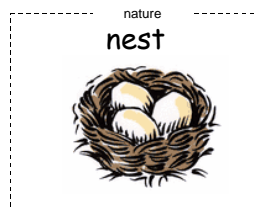

*We do not have to cut the log of the tree*

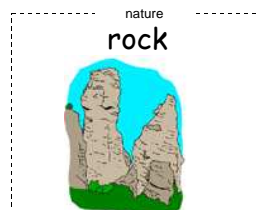

*She is climbing the mountain*

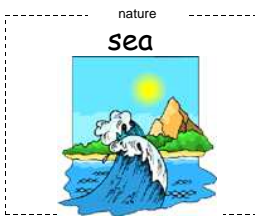

*The pig lives in the mud*

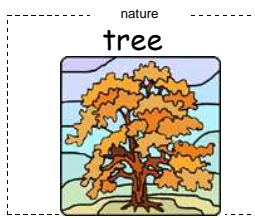

*The birds put their nest in the tree*

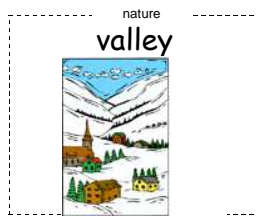

*I am sitting on the rock.*

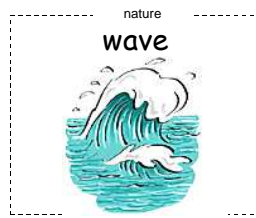

The dolphins live in the sea.

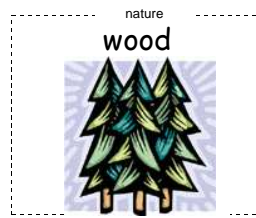

The snake lives in the tree

He has a house in the valley

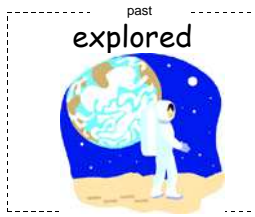

I like to do surf on the wave

There are a wood of trees.

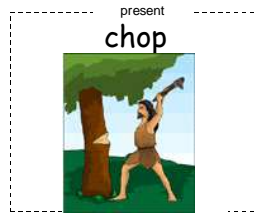

Our environment is contaminated

We explored this island last year

A new star be born at the moment

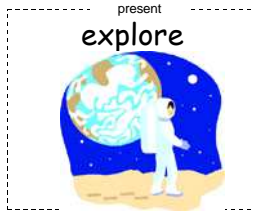

I do not have to chop the tree

Factories contaminate a lot

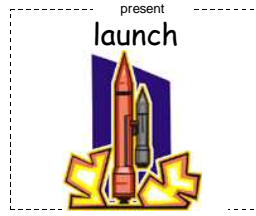

The scientis discovers a new planet

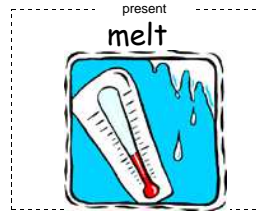

The man explores the moon.

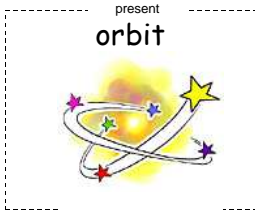

He grows up his vegetable

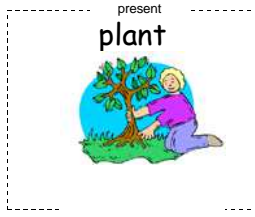

The rocket launch at ten o'clock

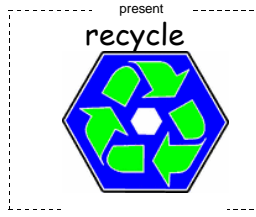

The pole is melting

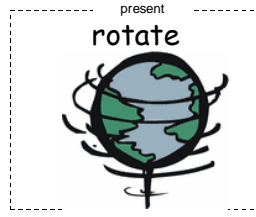

The moon orbits around the Earth

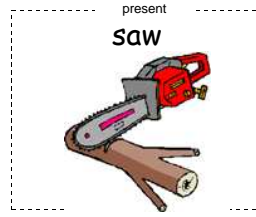

We plant tomatoes in the field

We should recycle

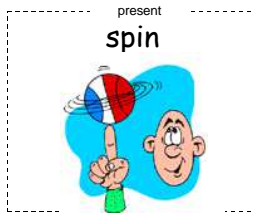

The moon rotates around the Earth

We are going to saw the log

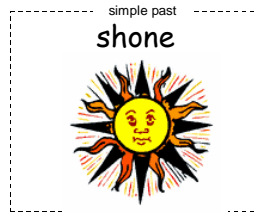

The sun shines this morning

All the planets spin around the sun

I am drinking water

Last night a star was shone.

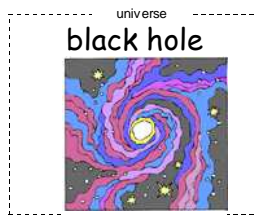

The aliens scared me

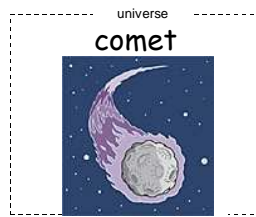

The milky way has a lot of asteroids

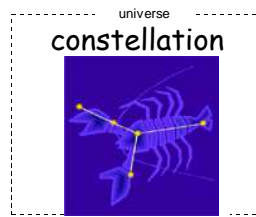

The astronaut is travelling to the moon.

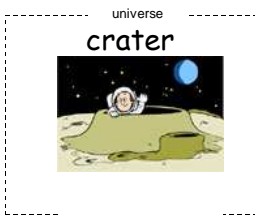

I am lost in the black hole

Halley is a famous comet

Orion is a famous constellation

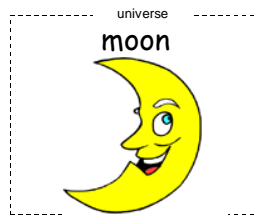

*The moon has a lot of craters*

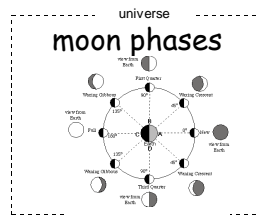

*The milky way is our galaxy*

*Earth is in the milky way*

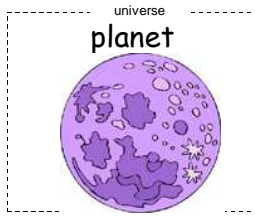

*The moon is the Earth Satellite*

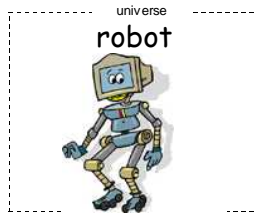

*There are eight moon pahses*

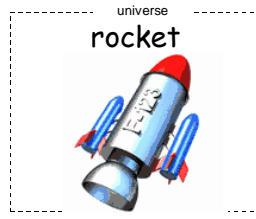

*The Northern lights are beautiful*

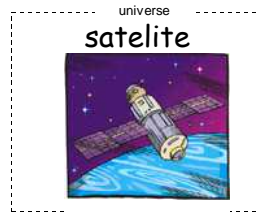

*I live in the planet called Earth*

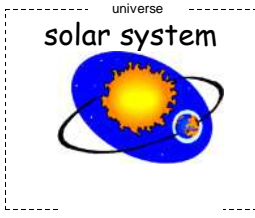

*I make a robot*

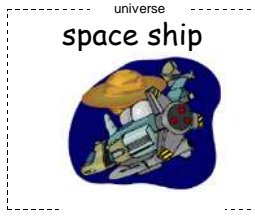

*I want to buy a rocket*

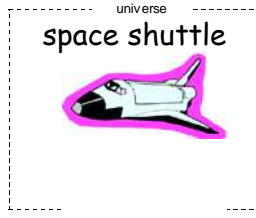

*The moon is the Earth satellite*

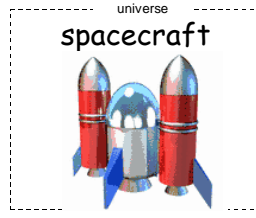

*In the solar sistem there are nine planets.*

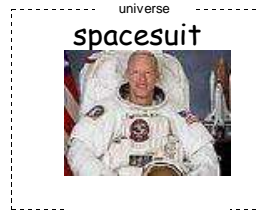

*We travel to Mars in a space ship*

*The astronaut is in the space shuttle*

*I will visit a spacecraft*

*The astronaut is wearing a spacesuit*

*My parents bring me a telescope*
