Andrew	Hello Ann! Summer is coming!!
Ann	Yes, it's fantastic. I want to start holidays.
Andrew	Me too. What are you going to do this summer?
Ann	I'm going to go to visit New York. It's a very huge city in USA.
Andrew	Wow!! I stayed there for a week with an American family. It was a great time. I visited a lot of places near the city.
Ann	Explain me something about the trip. Is it a long journey to get there?
Andrew	Well, We took about five hours from Alguaire.
Ann	OH! That's nothing compared to go to Australia.
Andrew	Yes, of course. Australia is one of the farthest countries.
Ann	Yes, I know. I would like to visit one day in the future.
Andrew	Yes, me too. But I like very much to stay here at home playing with my friends.
Ann	I like very much our country. We have many places to visit too and food is excellent here.
Andrew	Why don't we go to eat something at home? I am hungry.
