

**EXAMPLE: INTERVIEW TO A FAMOUS PERSON!**

Hello. Today we are together with Robin Askinson. He is a well-known actor, he has made a lot of films and he is now promoting his last film, *Sun rising* and we are going to speak with him.

We: Hello, Robin. How are you?

R: hi, fine, thanks. I'm very glad to be here in Lleida with all of you.

We: Let me ask you some personal questions first. When and where were you born?

R: I was born in London, England. On the 13th of May in 1986

We: Are you living in London now, Robin?

R: Ohh.. No, I don't. I am living in Los Angeles because I always work there in the film industry. .

We: We know you are an excellent musician. Which instruments do you play?

R: Well, I don't say excellent musician. I like playing the piano and the guitar but now, I don't have time to do it.

We: Are you working in some film at the moment, Robin?

R: No, I am not. In fact, I am promoting the last film, *Sun rising*, all over the world and in some months we are starting filming the next part.

We: Do you like being a gosh in the film?

R: jajaja... In fact, I prefer to be human; being a gosh is not funny. You live in the darkness, you cannot eat the wonderful Mediterranean food and it's difficult to have a girlfriend so, I prefer being human, yes!

We: And, what about love, Robin. Are you in love now?

R: Oh,, yes, I am. Always. I am always in love of my wonderful fans. They are the best in my life. Thanks to all of them!!!

We: Ok, Robin. Thanks a lot for your time. Have a lot of luck in your new projects and hope to see you soon again on the screen with a new movie! Bye.

R: It's been a pleasure, thank you.
