WORKING WITH PASSPORTS: My English World

My English world

Who do you know? Do you know any English speaker person?

Example: Nowadays, I have an aunt living in Scotland, she is a nurse and found a job there 10 years ago. Moreover, We met with a family in our campsite two years ago and we still have contact with them, they are from South Africa. They speak English.

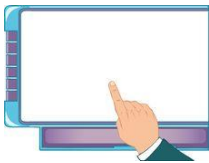

Where have you been?

Example: My family and me visited London when I was a kid. Two years ago, we went to my aunt's house in Edingburgh and last summer, we spent some days in Glasgow. We practiced English a lot.

On Screen

Example: I usually watch films in original version in the weekends. They normally are in English.

Books and song

Example: I like a lot one English singer, her name is Adele. Also I normally read one or two books in English per year, mostly adventures books.
